Forecast for Monday 06 Sep 2021

Weather: Scattered cloud across the park during the morning with the best of any cloud breaks in the west. During the afternoon the more prolonged sunny spells are likely with the cloud finally fading away to the east late in the evening. Some light rain possible at times but it will stay dry for most, feeling warm in a light westerly breeze.

Chance of cloud free mountain/hill tops above 600m: 70% increasing to 100%

Visibility: Moderate to good in hazy sunshine

**Level above which ground is expected to be frozen/snow is expected to settle.*

Meteorologist's View

It will be slightly hazy during the morning with the best views more likely during the afternoon. Strong sunlight when the cloud breaks so UV protection is advised.

Recent rainfall: measured at Malham: altitude 375m
